Finance Policy for Singapore Women's Association

1. Purpose

The Finance Policy outlines the principles, responsibilities, and procedures for financial management within the Singapore Women's Association (SWA). This policy ensures that the Association's finances are managed with integrity, transparency, and accountability in compliance with applicable laws and financial standards.

2. Scope

This policy applies to all financial transactions and activities carried out by the SWA. It includes budgeting, accounting, reporting, and internal controls.

3. Financial Management Principles

- **Integrity and Accountability:** Financial transactions must be conducted with integrity and transparency, ensuring accountability to donors, members, and stakeholders.
- **Compliance:** Adherence to the Charities Act, Societies Act, and relevant Financial Reporting Standards (FRS) in Singapore.
- **Prudence:** Ensure that resources are used efficiently and effectively to achieve the Association's objectives.

4. Roles and Responsibilities

- **Executive Committee:** Oversees financial management, approves budgets, and ensures compliance with policies and regulations.
- **Honorary Treasurer:** Responsible for the day-to-day financial operations, including budgeting, financial reporting, and ensuring internal controls.
- **Finance Sub-Committee:** Assists the Honorary Treasurer in monitoring financial performance and compliance with the finance policy.

5. Budgeting

- **Annual Budget:** An annual budget shall be prepared by the Honorary Treasurer and reviewed by the Finance Sub-Committee before approval by the Executive Committee.
- **Budget Monitoring:** Regular monitoring and review of financial performance against the budget, with reports provided to the Executive Committee quarterly.

6. Financial Reporting

- **Monthly Reporting:** Monthly financial statements shall be prepared and reviewed by the Honorary Treasurer and presented to the Finance Sub-Committee.
- **Annual Financial Statements:** Audited annual financial statements shall be prepared in compliance with FRS and submitted to the relevant authorities as required.

7. Internal Controls

- **Segregation of Duties:** Implement adequate segregation of duties to prevent fraud and errors. No single individual should control all aspects of a financial transaction.
- **Authorization and Approval:** All financial transactions must be authorized and approved according to the levels of authority established by the Executive Committee.

- **Documentation:** All financial transactions must be supported by appropriate documentation, retained for a minimum of seven years.

8. Income Management

- **Receipt of Funds:** All incoming funds, including donations, grants, and membership fees, must be promptly recorded and deposited in the Association's bank account.
- **Acknowledgment of Donations:** Issue receipts for all donations received and ensure compliance with the requirements for tax-deductible donations.

9. Expenditure Management

- **Procurement:** Follow the established procurement procedures to ensure transparency and value for money.
- **Payment Processing:** Payments should be processed only upon receipt of proper documentation and approval. Dual signatories are required for all payments exceeding a specified threshold.

10. Asset Management

- **Asset Register:** Maintain a register of all fixed assets owned by the Association, including details of acquisition, value, and location.
- **Depreciation:** Depreciate assets according to the rates specified in the financial statements.

11. Audit

- **Internal Audit:** Conduct periodic internal audits to ensure compliance with internal controls and financial policies.
- **External Audit:** Engage an independent auditor to audit the annual financial statements and provide an audit report to the Executive Committee.

12. Risk Management

- **Risk Assessment:** Regularly assess financial risks and implement strategies to mitigate identified risks.
- **Insurance:** Ensure adequate insurance coverage for the Association's assets and activities.

13. Review of Finance Policy

This policy shall be reviewed annually by the Honorary Treasurer and any amendments shall be approved by the Executive Committee.

14. Compliance and Training

- **Training:** Provide regular training to staff and volunteers on financial management and the finance policy.
- **Compliance:** Ensure ongoing compliance with this policy and take corrective actions in case of non-compliance.

15. Conclusion

This Finance Policy is a critical component of the Singapore Women's Association's governance framework, ensuring that financial resources are managed responsibly to support the Association's mission and objectives.

For any questions or further details regarding this policy, please contact the Honorary Treasurer.

B Singapore Women's Association Accounting and Procedures Manual

1. INTRODUCTION AND ACCOUNTING RECORD

1.1 This manual outlines the accounting policies and standardized procedures for the Singapore Women's Association (SWA). It is designed to ensure consistent and accurate financial reporting and compliance with relevant financial standards and regulations.

All accounting records comprising softcopy backup file, account books, vouchers, invoices and receipts etc. shall be kept for a period of at least five years or in accordance with the statutory requirements, whichever is longer.

1.2. Descriptive Chart of Accounts

The chart of accounts is a listing of all accounts used in the general ledger of SWA. It includes account codes, descriptions, and categories. Each account is categorized as an asset, liability, equity, revenue, or expense.

Example:

- **Assets:**
 - 1-21xx: Cash
 - 1-25xx: Trade Receivables
 - 1-26xx: Other Receivables/Prepayment
 - 1-11xx: Property, Plant, and Equipment
- **Liabilities:**
 - 2-22xx: Trade Payables
 - 2-26xx: Other Payables
- **Equity:**
 - 3-10xx: Unrestricted Funds
 - 3-20xx: Restricted Funds
- **Revenue:**
 - 4-xxxx: Voluntary Income
 - 4-3xxx: Programme Income
 - 4-5xxx: Other Income
- **Expenses:**
 - 6-1xxx to 6-4xxx: Program Expenses
 - 6-611x: Salaries
 - 6-612x: to 6-62xx Other Operating Expenditure

2. REVENUE & RECEIPT PROCEDURE

2.1 Segregation of Duties

a. There should be proper handover procedures and segregation of duties for receipt of income. [Refer to example ("e.g.") as follow:

Process (Example)	Action By
Receive cash/cheque and issue official receipts	Admin Executive
Enter the receipt amounts into books	Finance Executive
Deposit the amounts into bank	Admin Executive

b. Cash/Cheque/Paynow: The Admin Executive will confirm the receipt of cash in bank and issue IPC receipt for general donations.

c. Giving.sg: The Admin Executive will run the report and follow the bank receipt date to issue IPC receipt.

d. The finance executive will do reconciliation with the receipt and bank statements and record into the accounting system. The Treasurer will review the bank reconciliations and approve the monthly report.

2.2 Receipt of Cash

Cash is easily stolen and must be handled carefully. With immediate effect, SWA will not accept cash. All payment or donation will be done via digital means including bank transfer, paynow, giving.sg, etc.

- a. No cash receipt book will be kept.
- b. IPC receipt will be issued once the donation is confirmed receipt in SWA's bank account.
- c. SWA's UEN and QR code for donation will be displayed in SWA office to facilitate donation by "Paynow"

2.3 Donation Boxes (if applicable)

2.3.1 Donation boxes should be sealed and secured by locks and/or combination numbers. Two authorized staff shall be designated for the dual access control (e.g. 2 locks or 1 lock and combination number control). Each key holder shall be responsible for the safekeeping of their respective key. Staff responsible for custody of the keys should be separated from the staff assigned to collect donations. The donations boxes should also be serially numbered and proper records should be maintained to evidence their allocation, location and return.

2.3.2 Donation collections poured into a bag should be secured with a serially numbered seal and recorded by staff assigned to collect donations.

2.3.3 Cash count is to be performed once in a month if there is any donation box. On the day of donation count, the staff in charge of opening the donation box will collect the donation box and carry it to the designated room with CCTV surveillance. Personnel not assigned to the counting are not allowed into the designated counting room until the proceeds has been counted and safely kept.

2.3.4 After each count, the cash count team will have to sign off the summary of the count results and the collections amount. All collections must be deposited to the bank account within the same day. If it cannot be deposited within the same day, the proceeds will be sealed up together with the deposit slip and placed in the charity's safe (under dual access control and/or CCTV surveillance). The staff will bank in the proceeds the next working day.

2.4 Non-cash donations

Acknowledging non-cash donations, details to be recorded under the non-cash donation register should include (refer to below template):

- a. Date of donation
- b. Item donated
- c. Purpose of donation
- d. Usage of donation
- e. Name and contact details of donors (where possible)

Non-Cash Donation Register – Template

S/N	Date	Name/Contact Details of Donor	Item Donated	Receipt No	Purpose of Donation	Usage of Donation

2.5 All funds, whether cash or cheque, received by the Charity should be deposited in full into the bank account within 7 working days from receipt or when cash in hand exceeds **\$1000**, with no monies removed to make payments or for other purposes. If cheques are received, the staff to check whether the cheques bounce. If the cheque is bounced, the staff is to inform the payer/issuer to issue a new cheque to replace the bounced cheque.

2.7 Procedures to collect amounts from debtors:

- a. The Charity is to ensure timely invoicing and have terms stated on the invoice issued. The invoice should be serially numbered.
- b. Accounts receivable ageing report (refer to below template) should be prepared monthly to monitor the outstanding receivables and to be reported periodically to the Charity's Board for review. Any follow up actions taken by the staff responsible should also be updated in the report (refer to the below template).

- c. For debts to which collection is doubtful, an estimate of Provision for Doubtful Debts should be made at the financial year end.
- d. The Charity to determine the process on non-collectible debts:
 - i) Outstanding debts for XXX periods
 - ii) Documentary evidence of all possible recovery actions
 - iii) Legal actions or to write-off bad debt
 - iv) Approval from the Charity's Board according to approval matrix as below:-

Approval Matrix for Bad Debts Written Off Template

Amount of bad debts to be written off	Approving Authority
\$1000 and below	Vice President
Above \$1000	President

3. PURCHASING/PROCUREMENT PROCEDURES

3.1 The principles of purchasing are to ensure transparency, fair competition and value for money.

3.2 The Charity should establish purchase approval matrix and all purchases should only be made and approved in accordance with these authority level:

Purchase Approval Matrix - Template

Amount (before GST)	Approval
Below \$1000	Treasurer/Secretary
\$1000 to \$10,000	President
Above \$10,000	Board

3.3 Proper documentation is required for all stages in the purchasing process. The following are the various stages in the procurement process:

- a. Determine the requirements and estimated value of the intended purchase.
- b. Ensure that there is a budget available for the purchase and be approved according to the Charity's authority limit before the purchase;
- c. The total quantity to be purchased should not be split into smaller quantities and multiple purchases for approval.
- d. Invitation to quote should not always be confined to the same companies. To have more competition, new companies should be approached regularly, where possible. Quotations should not be used after 1 year and fresh quotation should be obtained.
- e) The procedures of obtaining quotations

Estimated Procurement Value (EPV) Amount (before GST)	Quotation Required
Below and up to \$1000	N.A
Above \$1000 and up to \$6000	2
Above \$6000 and up to \$90,000	2 invitations to quotation
Above \$90,000	To call tender

- f). For EPV below \$1000, SWA may purchase the items directly from the preferred list of suppliers or assessed that the prices are reasonable. The prices quoted in the preferred list of suppliers should be assessed at least once a year and approved by the Board.
- g) For items of goods or services with EPV of up to SGD6,000, Source for at least 2 quotes and do price comparison (apple-to-apple comparison) with recommendation. Thereafter, sought Approval from President of SWA.
- h) For invitation to quote for purchase above \$6000 and below \$90,000, quotations will be invited, and supplier(s) are given exactly the same requirements and amount (in quantity) of the intended purchase. The closing date of the quotation must be clearly indicated. All information to the suppliers should be transmitted via a written format. The minimum period for the quotation shall be 7 working days. Use Quotation processes: For items of goods or services with EPV of up to SGD90,000, Upon quotation received, an evaluation Committee consisted of the Treasurer/Assistant

Treasurer and one other board member will evaluate the offers received and provide recommendation; thereafter President of SWA will approve the recommendation.

- i) **EPV above SGD90,000:** Use of Tendering Processes: To invite by using the Open, Selective or Limited tendering procedures. In these processes, upon Tenders closed, Evaluation Committee consisted of Treasurer/Assistant Treasurer and two other board members will evaluate the offers received and provide recommendation; thereafter SWA Board Members will approve the recommendation.
- j) If need be, all the suppliers should be called for a single meeting to explain the specifications. No indication of the budget available should be given in the quotation calling process. Proceedings of meetings with suppliers should also be documented. If purchases are made without going through an open quotation (e.g. due to urgency of work, infeasible to invite for quotations, propriety product, sole distributor, etc), the Charity should seek written approval for waiver of competition from the approving authority as per 4.2). Decisions from approving authority for approving such waiver should be recorded.
- k) The lowest quotes would be selected in most cases. If not, to provide adequate justification in the selection of supplier(s) and documented in the purchase requisition form.
- l) The staff and approving officers involved in the purchase should be aware of any vested or personal interest or interest of third party and should abstain themselves from the involvement of the purchase if such situation arise.

3.4 Please refer to Annex A for the template of purchase requisition form.

3.5 Purchase/Service order:

Confirmation of order (either order form or email) should be issued to the awarded supplier. The order should contain information including the description of goods or services, quantity, price and name of supplier.

3.6 Goods/Service Received:

Staff receiving the goods and services should ensure goods/services delivered are according to the description and quantities stated in the order form/email. Damaged goods should be refused and returned to suppliers. Acceptance of goods/services should be indicated and signed on the delivery orders/service reports.

3.7 The staff handling the purchasing and receiving of goods/services should be separate, where possible.

4 **PAYMENT PROCEDURE**

4.1 Payments for purchases of goods and services

4.1.1 The Charity should establish payment approval matrix and all payments should only be made and approved in accordance with these authority level:

Payment Approval Matrix - Template

Amount (before GST)	Approval

Below S\$5,000	Treasurer or Assistant Treasurer
S\$5,000 and above	President/Vice President and Treasurer/Assistant Treasurer

- 4.1.2 All payments (including staff claims of expenses) should be supported with the Charity's payment vouchers, supplier's invoice/receipt and delivery order/service report.
- 4.1.3 Payment vouchers should be serially numbered and unique for easy identification.
- 4.1.4 Payment vouchers should be duly checked and approved by authorised officer (as per approval matrix in para 4.1.1). If the approving officer is the claimant, he/she should not approve his/her own claims. Such claims shall be approved by other authorised approving officers.
- 4.1.5 The admin executive should match the details of payment vouchers, suppliers' invoices and delivery order/service report before payment. The admin executive must also ensure that the relevant procedures and limits for purchases and claims have been complied with.
- 4.1.6 For physical copies of payment process, the payment vouchers and supporting documents should be stamped "Paid" with date of payment. For e-payment process, the system should require entry of invoice/receipt number and attachment of supporting documents (i.e. payment vouchers, supplier's invoice/receipt and delivery order/service report) to prevent duplicate payments.

4.2 Petty Cash Payments

No petty cash float will be kept in office. For small purchases, staff or board members will pay first and submit claims for reimbursement.

4.3 Cheque Signatories for Banking Accounts

- 4.3.1 All bank accounts must be operated on a joint signatory basis.

Authorised bank signatories:

Group A	Treasurer
Group B	President or Vice President or Secretary
Signing Condition	Any amount: Group A + Group B In the absence of Group A, two signatories in Group B will sign.

- 4.3.2 DBS bank has phased out cheques as a means for payment. SWA has stopped using cheques.

4.4 Digital Banking (paynow/internet transfer)

- 4.4.1 The Charity should establish segregation of duties on digital banking payment between the maker, verifier and approver.

Process	Action by
Transaction Maker	Admin Executive
Transaction Approver/Authoriser after checking	Authorised Officers

- 4.4.2 The maker in digital payment should ensure that the payments have been approved in accordance with the payment approval matrix prior initiating the digital payment. The maker should not have accessed to approve the payments.
- 4.4.3 Approval of digital payments should be in accordance with the Charity's payment approval matrix as per 4.3.1. The approving officer should not have accessed to create the payment.
- 4.4.4 A maximum payment threshold at \$100,000 per transaction is set on digital banking platform
- 4.5 Bank reconciliation statement should be prepared monthly by the Finance Executive staff and verified/approved by the Treasurer or Assistant Treasurer. Long outstanding cheques or deposits (> 6 months) will be investigated. Lost cheque will be stopped or cancelled and issued again to the supplier(s). Any discrepancy should be reported to the Treasurer and the matter is to be investigated immediately.

10 RESERVE POLICY AND MANAGEMENT OF FUNDS

10.1. Reserve Policy

10.1.1 Purpose

The Reserve Policy of the Singapore Women's Association (SWA) establishes a framework for managing and maintaining financial reserves to ensure the organization's financial stability, sustainability, and capacity for development. This policy reflects SWA's commitment to responsible stewardship and long-term financial planning in support of its mission and activities.

10.1.2. Definition of Reserves

Reserves are unrestricted funds set aside to:

- Provide financial stability and continuity of operations.
- Support the development and growth of SWA's principal activities.
- Address unexpected expenses or funding shortfalls.

Restricted or designated funds tied to specific purposes or projects are not considered part of SWA's reserves.

10.1.3. Target Reserve Level

SWA aims to maintain reserves equivalent to **at least five years of working capital**. This level ensures:

- The organization can meet its ongoing financial obligations.
- Adequate resources are available to manage unexpected financial challenges.
- Support for strategic initiatives and long-term development of SWA's programs and services.

10.1.4. Reserve Management

a. Annual Review

- The Board of Directors will review the reserve level annually as part of the financial planning and budgeting process.
- The review will consider factors such as:
 - Operational needs and obligations.

- Economic conditions and funding environment.
- Planned initiatives and projects.
- Potential risks and contingencies.

b. Adjustments to Reserves

- If reserves fall below the target level, the Board will develop and implement a plan to replenish them over an appropriate timeframe.
- If reserves exceed the target level, the Board will evaluate opportunities to allocate surplus funds to further SWA's mission, such as program expansion or strategic investments.

10.1.5 Use of Reserves

- Reserves may only be used with Board approval, ensuring alignment with SWA's mission and priorities.
- Requests for reserve usage must include a detailed justification, impact analysis, and replenishment plan.

10.1.6 Transparency and Reporting

- The reserve level and policy will be disclosed in SWA's annual financial statements and reports in accordance with the **Charities Act** and related governance guidelines.
- Any significant changes to the reserve policy or level will be communicated to stakeholders, including members, donors, and regulators.

10.1.7 Compliance and Accountability

SWA's reserve management practices will adhere to the **Code of Governance for Charities and IPCs** and other relevant regulations in Singapore. The Board will ensure that reserves are invested prudently and managed responsibly to safeguard the organization's financial health.

10.1.8 Review of Policy

This Reserve Policy will be reviewed annually by the Board of Directors to ensure its continued relevance and alignment with SWA's strategic goals and financial environment.

10.2 Management of Fund

- Invest reserve funds in low-risk, interest-bearing accounts.
- Regularly review the investment strategy and adjust as necessary to meet financial goals.
